PETITION UNDER 37 C.F.R. 1.48 FOR
CORRECTION OF INVENTORSHIP

The Assistant Commissioner for
Patents
Washington, D.C. 20231

Sir:

This petition is submitted in response to the Notice to File Missing Parts of Application mailed from the Patent and Trademark Office on July 27, 1995, a copy of which is attached. Applicants' Attorney petitions that the inventorship in the above-identified application be corrected to add Michael F. Concino as co-inventor in the above-identified application as indicated in

the co-filed amendment. The amendment adds Michael F. Concino as co-inventor to this application. With such amendment, the application would have joint inventorship in the names of Michael W. Heartlein, Jeffrey F. Lemontt and Michael F. Concino. The exclusion of Michael F. Concino was without deceptive intent, as evidenced by the attached Statement of Facts by Michael W. Heartlein and Jeffrey F. Lemontt.

Written consent of the assignee (Transkaryotic Therapies, Inc.), Declaration of the joint actual inventors under §1.63, and the appropriate fee accompany this petition.

Respectfully submitted,

A handwritten signature in cursive script, reading "Patricia Granahan".
